## The Eagles' Nest

### The Little Shop on the Corner

Four years ago Fr. Gerard had an idea to open a gift shop and after it was all set up and ready for business he blessed St. John Eudes Gift Shop on opening day.

It is a pleasure being manager of the gift shop and I am grateful for a wonderful team of volunteers. Many thanks to Andrew, Amelia, Celia, Eileen, Jessie, Joan, Josie, Maida, Marla, Olivia, Patrick, Paula and Shirley for all their support and the time they take from their busy lives to keep our little shop running.

The gift shop has something for everyone in our community and surrounding parishes. It is a nice place to visit and to meet parishioners and browse through our large selection of religious items.

The shop is open 6 days a week (closed Monday) to better serve all customers' needs daily and weekends.

Customers who visited the shop on weekdays:

Two women, one from out of state, came in for some items for their Mother's funeral and they wanted to buy gifts for everyone in their family. They were impressed with our selections and purchased a variety of merchandise. They also requested a special order for a large number of crucifixes which I provided for them the next day.

A woman came in one day and needed a crucifix for a funeral. We had one that she liked very much and was happy to find our shop.

Two women came in another day looking for a bible to give as a gift and we had just the one they wanted. One of the women was visiting from Washington, D.C. They were very pleased with our shop.

We also have parishioners who come in regularly, sometimes just to stop by for a short visit. We have gotten to know so many people from the parish and have formed many friendships. Our parish is made up of multiple cultures working together, praying together and helping each other, which make our community a wonderful place for everyone.

If you have some spare time and would like to join our team to volunteer an hour or two during the week or weekend please stop by the shop for information.

I invite you to come to the shop today for a *free* holy card and to see our popular Sleeping St. Joseph statue.

Peace and blessings to all,  
**Mary Ellen Pike**

## NEW ST. JOHN EUDES FAMILY DIRECTORY

To celebrate our church family and strengthen the bond within our congregation, we have made a commitment to produce a new pictorial directory. A pictorial directory is our church family album. **Our goal is 100% participation!**

A new directory:

- ♦ Preserves the special time in the life and ministry of our church
- ♦ Becomes a lasting record of our current membership
- ♦ Introduces our church to friends, the community and new members
- ♦ Enhances fellowship and prayer by helping us visually connect faces with names
- ♦ Becomes a wonderful communication tool for our church
- ♦ Assists our Pastor in getting to know all of our names and faces

We have selected Lifetouch Church Directories and Portraits for this important project. Lifetouch is providing the directory at no cost to our parish.

**Photography will begin September 7<sup>th</sup> in Grill Hall.**

You will have a variety of poses taken, and Lifetouch never charges a sitting fee! One pose will be selected for the directory.

**Every family photographed receives a complimentary Directory and an 8x10 portrait!**

You will have the opportunity to purchase additional portraits on the day of your portrait session if you so choose. You also have the opportunity to invite your extended family and have portraits made with everyone together. Each family unit will be photographed and receive their own complimentary 8x10 portrait. Lifetouch will then photograph generational poses with everyone together, grandparents and grandkids, or any special poses you would like to have.

**We are looking forward to seeing you in our directory!**

To schedule an appointment you can go online to:

<https://booknow-lifetouch.appointment-plus.com/y3rnm726/> or [sjeparish.net](http://sjeparish.net)

Or call the parish office at **818-341-3680**

P.S. This is a professional portrait session. What you wear has a major influence on how satisfied you will be with your portraits. Watch for your Portrait Sitting Guide with tips on how to prepare for your session. We also ask that you allow one hour during which time you will check-in, be photographed and select your portraits. You will also receive a copy of the price sheet in advance so you have plenty of time to become acquainted with the Lifetouch Point Pricing Program if you would like to purchase family portraits.

#### Back to school safety tips . . .

There is a lot that goes into preparing for the new school year, and it's important to remember to talk about safety. These are a few tips to consider:

1. Meet all of your child's teachers
2. Discuss school bathroom behavior (no one should go into a stall with a child for any reason)
3. Occasionally walk your children to their class instead of using the carpool line.

## Called & Gifted Workshop

**Friday Evening August 18th from 7 to 9 p.m.,  
and Saturday, August 19th from 9 to 4 p.m.**

Parents are called to stand in the place of God in their families. What many parents don't realize is that they have been specially equipped to do so, in part by the sacramental graces of marriage and in part by gifts of the Holy Spirit given to all Christians at Baptism. How can you discern the gifts that God has given you for the sake of your family? How can you help to discern the gifts God has given your children?

Coming on the weekend of **August 18th and 19th** will be a program, the Called & Gifted Workshop, that will teach about the gifts of the Holy Spirit that all Christians have been given and that are already at work in our lives. Everyone is invited to participate. To register, look for flyers in the Narthex or parish office. Cost is \$35 and includes a lite breakfast and lunch on Saturday.

**The Alpha program returns this fall, again on  
Monday evenings, starting September 11th.  
Sessions will again run 6:30 – 8:30 p.m.**

By now, you know that Alpha is a place to ask questions. About the deeper questions of life. But did you know that 86% of guests come to Alpha because of a personal invitation?

Nothing beats a personal invite, and this is true for most things, not just Alpha. Lets revisit the long lost idea of personally inviting someone.

It may seem awkward or out of our comfort zones because of the abundance of postcards, Facebook events, emails and even these church bulletin announcements, but it works.

What is it about personal invites that proves more effective? It's the relationship factor. Personal, authentic invitations say something about you and also say something about the relationship between you and the person you are inviting. Inviting someone to Alpha is like inviting someone to try out one of your favorite restaurants; you're inviting them to experience something that you really enjoy and that means a lot to you. The fact that you are willing to share this experience with someone shows that your relationship with them matters to you, which will mean a great deal to them.

No question is out of bounds, you are free to discuss as much or as little as you wish. and everyone is welcome. The individual person is always respected.

ALPHA is a great place to bring those who God has brought into your life who are asking the BIG Questions. Registration flyers will be available soon.
